Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you,

In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it.

We will review your insurance arrangements when you inform us about changes in your circumstances, at the time of any scheduled status review or upon renewal of your insurances.

### **Contractual Liability and your insurance cover**

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

We are committed to protecting your privacy. We use the information you provide to advise about and assist with your insurance needs. We provide your information to insurance companies and agents that provide insurance quotes and offer insurance terms to you or the companies that deal with your insurance claim (such as loss assessors and claims administrators). Your information may be given to an overseas insurer (like Lloyd's of London) if we are seeking insurance terms from an overseas insurer, or to reinsurers who are located overseas. We will try to tell you where those companies are located at the time of advising you. We do not trade, rent or sell your information.

If you don't provide us with full information, we can't properly advise you, seek insurance terms for you, or assist with claims and you could breach your duty of disclosure.

For more information about how to access the personal information we hold about you and how to have the information corrected and how to complain if you think we have breached the privacy laws, ask us for a copy of our Privacy Policy.

A copy is also available on our website, [www.endeavourinsurance.com.au](http://www.endeavourinsurance.com.au).

### **How will I pay for the services provided?**

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice.

You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

### **How are any commissions, fees or other benefits calculated for providing the financial services?**

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% and 25%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be disclosed to you on our invoice..

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 50% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

### **Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?**

Edgar Insurance Brokers (EIB) is a shareholder of IBNA Limited (**IBNA**).

IBNA is a national marketing group that provides us with access to a range of resources and develops products and services for our clients. This assists us when we provide services to you by giving:

- Access to insurance products underwritten by a wide range of insurers;
- Access to insurance products that provide wide insurance cover;
- Access to consultants with specialised skills in certain risk products and services.

IBNA receives between 0% and 1.5% commission from certain insurers and premium funding companies. The income is used to operate IBNA and any surplus funds may be paid to us as a rebate.

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will set out in the premium funding contract.

EIB participates in an annual bonus program with QBE Insurance which is based on the total annual premium placed with the insurer; not on any individual transactions.
